

2009 - 2010

For the fifth year, the ACS is very pleased to announce a new title sponsor for The Tour – the **Lucasi Hybrid All American Tour!** We are proud to offer you this exciting national tournament opportunity that allows players from your local leagues as well as other interested players to compete in head-to-head competition for cash awards. While ACS membership is not a requirement for entry, in addition to the benefits available at each tour stop, the top-placing ACS member in your event will gain a free entry into the 8-ball singles of the 2010 ACS Nationals in Las Vegas (if you attract 33 entries or more) or the 9-ball singles of the 2010 ACS Nationals in Las Vegas (if you attract 32 entries or less) – June 6-12.

Whether you are an ACS Proprietor Member or an ACS League Operator offering a Lucasi Hybrid All American Tour stop – we are here to help your tour stop be the best that it can be!

The enclosed guidelines have been created in order that each tour stop be managed with a certain degree of consistency – field size, prize fund, format and eligibility requirements are uniform based on the number of attendees. However, whether your tournament is handicapped, played on 7', 8' or 9' foot tables, or is 8-ball, 9-ball or a combination of the two formats is up to you.

In addition to the written guidelines contained within, this information is also available on the web at [www.americancuesports.org](http://www.americancuesports.org) or by contacting the ACS National office at 920-662-1705 or by fax at 920-662-1706.
