

## **ACS Benefits to Proprietors!**

The ACS primarily finances its efforts through the sanctioning of pool leagues, but your membership support enables the ACS to offer other programs through which you and your billiard establishment can benefit: 1). McDermott All American Tour; 2). Coaching program; 3). Referee program; 4). State association program; 5). Junior programs; and 6).the production of major amateur National Championships. You can research the ACS further at [www.americancuesports.org](http://www.americancuesports.org).

While on our website, take advantage of the “Proprietor’s Forum” – monitored by Lila Trudel, a consultant for the Chattanooga Billiard Club in Chattanooga, Tennessee. Feel free to share your experiences with all phases of billiard room management or to make inquiries as to how you can improve your operations.

The ACS Board of Directors includes director seats for the U.S. governing body for snooker (USSA), the U.S. governing body for carom billiards (USBA) and the Canadian governing body for all cue sports (CBSA) so as to unify the promotional communication among the various cue sport organizations. In coordination with our affiliated associations, a goal of the ACS is to affiliate to the United States Olympic Committee within the next 2-3 years.

Your ACS Proprietor Membership provides you with the following benefits:

- **Nominating and voting privileges for one directorship to the ACS Board annually**
- **Private access to the “Proprietors Forum” on the ACS website, where billiard room members may share advice and opinions on all aspects of conducting their business**
- **Take advantage of exclusive discounts offered by our corporate partners such as 1-800-FLOWERS, Barnes & Noble, Circuit City, etc.**
- **Opportunity to host a McDermott All American Tour stop and/or to sanction your in-house league(s) with ACS**
- **Listing of your establishment and its promotions on the ACS website**
- **Opportunity for annual appointment to the ACS Proprietor Committee**
- **ACS cue pen**
- **ACS “Proprietor Member” certificate**
- **ACS member decals**

Contact us anytime with ideas or inquiries with which we can further help you in the success of your business. The current Proprietor director on the ACS Board is Dwaine Bowman, owner of Leisure Time Billiards in E. Moline, IL (tel. 309-752-9559). Or feel free to contact myself, as the ACS Executive Director, directly. Billiard room owners united together can best insure your future.

Thank you!

Yours in billiards,

John Lewis  
Executive Director
